Zero-Point EPK October 2018

Credits and Logos

Screen Australia presents
in association with Screen Territory
An Undergrowth/Thomas Street Production
Created by Jonathon Saunders
ZERO-POINT

Zero-Point. noun

1. The point of origin.
2. The centre of a nuclear explosion.
3. In quantum theory; the intrinsic field which permeates the universe, containing energy of infinite magnitude.
4. A post-human (superhero) operative active in Australia.

Acknowledgement of Country

We pay our respects to the traditional owners of the lands on which this production was made.
